**O R D E R:**

Whereas, in the reference 1<sup>st</sup> read above, to safeguard the interests of the depositors, Government have appointed the Additional Director General of Police, Crime Investigation Department or Inspector General of Police, C.I.D. as the case may be as "Competent Authority" under sub-section (1) of section 4 of the Andhra Pradesh Protection of Depositors of Financial Establishments Act, 1999 (Andhra Pradesh Act No.17 of 1999) to exercise control over the properties attached by the Government under section 3 of the said Act;

2. And whereas, in the reference 2<sup>nd</sup> read above, the Additional Director General of Police, Crime Investigation Department, Andhra Pradesh, Hyderabad has reported that M/s Quest-Net Enterprises India Private Limited was registered in Chennai under the Companies Act, 1956. It is a sister concern Company of M/s Gold Quest International Private Limited located at Singapore. The Company has been indulging in collection of deposits and money circulation scheme by enrolling members and collecting money from the public;

3. And whereas, he has also stated that as per the scheme, an Independent Representative (IR), enrolls with the Company on payment of Rs. 460/- as registration fee and in addition he shall pay Rs.25,000/- to Rs.32,000/- against purchase of an article offered by the company at exorbitant price. Such member is compelled to enroll two members in the pyramid system, so that he will get commission on the enrolment of down line members. On completing two enrollments on left and right side, the IR will get a commission of Rs.2,300/- as an incentive. Each IR will develop two teams. Each product is assigned a Unit Volume which is normally on higher side, which is nothing but money circulation;

4. And whereas another one, Gold medallion pack comprises of a gold coin weighing 6 grams and silver medallion of 1 oz, costing Rs.32,000/- is of one Unit Volume (UV). If the IR ensures 6 UVs, he reaches the 1<sup>st</sup> step and gets commission of Rs.11,500/- including the incentive of Rs.2,300/-. On reaching another 6 UVs, he will complete 2<sup>nd</sup> step and get another Rs.11,500/-. If he completes 18 UVs, the IR completes one circle. The last i.e. the 6<sup>th</sup> step, the IR becomes eligible for a "E-Voucher" worth Rs.11,500/-. On completion of a circle, the IR would get a commission of Rs.57,500/- and E-Voucher for Rs.11,500/-. The IR is governed by a balancing factor. One IR has to ensure 3 UVs on either side i.e., left & right side to achieve a step and get the first commission of Rs.11,500/-. Subsequent commission will also depend on IR completing 3 UVs on either side. If one side grows unlimited and other side remains dormant, he will not be eligible to receive commission for the one side growth. If anyone in the ladder stops to enroll members, the chain will break and the IR will not get commission and consequent benefits will go to the company. The IR is eligible to receive the commission limited to 180 UVs on either side for a week. The registration fee of Rs.460/- paid by each IR is for a calendar year only. He must renew his membership annually. If a representative fails to renew his membership, he shall become inactive and shall not be entitled to enjoy any IR's rights provided for in the Policies & Procedures (P & P) of the Company. The Registration charges are collected by the Company without any consideration to offer and without any commitments to repay under any circumstances and hence, it is nothing but deposit. Thus, the Company has a wrongful gain of Rs.120 crores approximately. From the innocent public through the above schemes.

Vijaya Sekhar Reddy s/o Krishna Reddy and 2 others, a case was registered on 9.05.2008 in Cr.
